Write a mashup of dare you to move with anaconda

KD

Here is a mashup of the songs "Dare You To Move" by Switchfoot and "Anaconda" by Nicki Minaj:

Welcome to the jungle, it gets worse here everyday

You learn to live like an animal in the cold remains

But I dare you to move, I dare you to lift yourself up off the floor

I dare you to move, like today never happened before

My anaconda don't, my anaconda don't

My anaconda don't want none unless you got buns, hun

Boy toy named Troy used to live in Detroit

Big dope dealer money, he was gettin' some coins

Was in shootouts with the law, but he live in a palace

Bought me Alexander McQueen, he was keeping me stylish

Now that you're lost, what are you waiting for?

Set off the sparks, set off the sparks and watch them soar

The spirit inside you is reaching out to grab the higher ground

It's time for you to move, it's time for you to move

Oh my gosh, look at her butt

Oh my gosh, look at her butt

Look at her butt, look at her butt

The darkness inside you can set your soul afire

The path is calling for you now, it's time for you to move

You're made to live, you're made to love

You're made to thrive in the light of the Son

My anaconda don't want none unless you've got buns, hun

Write a song about How great thou art

KD

Here's my attempt at writing a song about "How Great Thou Art":

Verse 1:

O Lord my God, when I in awe consider
The works Thy hands have made so wondrous fair
The stars, the moon, the sun in skies up yonder
All made by Thee show Thy great power and care

Chorus:

How great Thou art, how great Thou art
Then sings my soul, my Savior God to Thee
How great Thou art, how great Thou art
I stand amazed, I praise and worship Thee

Verse 2:

When through the woods and forest glades I wander
And hear the birds sing sweetly in the trees
When I look down from lofty mountain grandeur
And hear the rolling thunder, feel the breeze

Chorus

Bridge:

You formed the oceans deep, the mountains high
You paint the evening sky in beauty rare
Your majesty and greatness though, within me lie
For you formed me with your hand, with love and care

Chorus

The lyrics focus on praising God's creation and reflecting on how the wondrous natural world reflects God's greatness. It follows a similar theme and structure to the classic hymn "How Great Thou Art" with verses praising specific parts of nature and a
